**Note:**

- The detailed Interim Financial Report has been published in the company's website www.neco.com.np
- Figures presented above are unaudited figures and might be changed after actuarial report/statutory audit.
- Above Financials are prepared as per Nepal Financial Reporting Standards (NFRS).
- The above figures are regrouped and rearranged whenever necessary.

**Disclosures as per section 84(3) of Insurance Act, 2079**

- Solvency Ratio:** The solvency ratio of the company is 5.06 as per the actuarial valuation report of FY 2081-82.
- Reinsurance related Disclosure:** The company has various reinsurance arrangements with national and international reinsurance companies in order to mitigate its risk exposure as per the need of the company.
- Details regarding legal proceedings:** There are no legal proceedings against the company arising from activities other than normal business operations.
- Regulatory limit on expense ratio:** The expense ratio of the company is within the prescribed limit by Nepal Insurance Authority.
- Corporate Governance:** The company has complied with the corporate governance directive issued by Nepal Insurance Authority. Company has a separate corporate governance unit and has established various mechanism and procedures to comply with Insurance Acts & Regulations, Directives & Circulars issued by Nepal Insurance Authority and all the relevant laws and regulation. The Board and management of the company is committed in upholding the best governance within the company.

**Additional Disclosures as per Securities Registration and Issuance Regulation-2073 (Sub Rule (1) of Rule 26, Annex (14))**

**1. Financial Statements:**

a) The statement of financial position and statement of Profit and Loss (Unaudited) has been published along with this report as per the Nepal Financial Reporting Standards (NFRS)

**b) Major Financial Indicators:**

Earning per Share Annualized (EPS) :	7.89
Price Earning Ratio (P/E) :	81.16
Net Worth per Share :	223.11
Total Assets per Share:	444.68

**2. Management Analysis:**

The company during the Year has written gross premium of 272.85 crores which is 10.39 % higher than the gross premium written in comparison to corresponding period of previous year. The company is aiming for higher business growth in upcoming period and formulating strategies to achieve so in a sustainable and organic manner. The Company paid total claims of 40.83 crores during the period. The company has utilized diversified investment portfolio & total investments of the company is 665.78 crores (fair Value) till the end of third quarter of current fiscal year.

**3. Details of Legal Proceedings:**

There are no legal proceedings by or against the company, board of directors and management of the company apart from those arising from activities other than normal business operations.

**4. Analysis of share transaction and progress of the company:**

a) Management View on share transaction of the company at securities market: The management of the company has neutral view on the share price and transaction as it is determined at Nepal Stock Exchange through open share market operations.

b) Maximum, Minimum, Closing price, Total Traded days and Total Share transactions during the period:

Last Price	640	Total Trade Days	53
Highest Price	681	Total Trades	6,093
Lowest Price	600	Total Traded Shares	730,999

**5. Problems and Challenges:**

Effect of change in interest rate on deposit, high inflation, reduced economic activities and lack of awareness among people about the need and importance of insurance are some of the major problems of insurance industry today. Also the recruitment and retention of quality human resources, highly competitive market, changing regulatory frameworks, political instability, slowdown in economy etc. are other problems and challenges faced by the companies.

**6. Corporate Governance:**

The board of directors of the company and management is committed to follow good governance and ensure full compliance with all the applicable laws and regulations and directives and guidelines issued by Nepal Insurance Authority. The company has formed Audit committee, Risk Management committee and various departments as per the corporate governance directive of Nepal Insurance Authority for establishing good control system in the company. The company holds its external and internal audit timely and both the internal and external audit is carried out by the independent audit firms of Chartered Accountants.

**7. Declaration by CEO**
